The study of the history of marketing, as a discipline, is meaningful because it helps to define the baselines upon which change can be recognised and understand how the discipline evolves in response to those changes. The practice of marketing has been known for millennia, but the term "marketing" used to describe commercial activities buying and selling a products or services came into ...

Marketing refers to activities a company undertakes to promote the buying or selling of a product , service, or good. In 2017, The New York Times described it as "the art of telling stories so enthralling that people lose track of their wallets". It is one of the primary components of business management and commerce. Marketers can direct their product to other businesses (B2B marketing) or ...
